Cognitud and Phoenix Legal Announce Strategic Partnership

Gurugram, Haryana, July 2, 2024 – Cognitud, a leader in sustainability consulting, and Phoenix Legal, a premier law firm, are excited to announce a strategic partnership aimed at delivering comprehensive Environmental, Social, and Governance (ESG) services from a legal and regulatory perspective. This collaboration will provide robust solutions for clients involved in mergers and acquisitions (M&A), workforce sustainability, Environment and Social Clearances,, litigation and dispute resolution from a legal standpoint.

This association is poised to make a significant impact on the broader landscape of corporate sustainability and legal compliance. By combining Cognitud's expertise in sustainability consulting with Phoenix Legal's legal acumen, the collaboration aims to set new standards in ESG due diligence, workforce sustainability, and litigation risk management. Together, this will empower businesses to navigate the complexities of ESG regulations, foster inclusive and ethical workplace cultures, and mitigate legal risks associated with sustainability issues. This strategic alliance not only enhances the combined service offerings but also contributes to the global push for sustainable business practices, ultimately driving long-term success and resilience for customers.

Speaking on the partnership, Nilanjana Bhowmick, Co-Founder & COO, Cognitud Private Limited, said, "This partnership of Cognitud's expertise in sustainability consulting combined with Phoenix Legal's legal acumen, offers clients a one-stop shop for all their ESG needs. We offer our clients a powerful combination from raising the bar for ESG compliance to building sustainable workforces, all while staying on the right side of the law. Overall, this alliance can offer a safety net for all the ESG related initiatives."

Abhishek Saxena, Co-Founding Partner of Phoenix Legal, said, "We are delighted to partner with Cognitud, a company that shares our commitment to environmental sustainability. This collaboration enhances our ability to provide comprehensive legal support, including advisory, due diligence, licensing, and compliance management in environmental and sectoral regulations. Together, we aim to drive sustainable growth and long-term value for our clients by combining our legal expertise with Cognitud's dedication to sustainability. Our integrated approach ensures businesses can effectively navigate environmental regulations and ESG compliance, saving time and resources while ensuring full regulatory compliance."

About Cognitud Private Limited

Cognitud, a climate impact decelerator headquartered in India with a global presence in the USA, UK, and Dubai, specializes exclusively in sustainability advisory services. Specializing in business and finance expertise, Cognitud champions environmental stewardship and social responsibility. Collaborating closely with leading organizations worldwide, services focus on establishing and achieving clear sustainability goals, integrating strategies into core operations for transformative impact.
